SUMMARY

Award-winning VFX Supervisor with 25+ years of global experience in film, episodic television, and commercial production.

From miniatures, motion control, and stop-motion to cutting-edge ICFX, I've evolved with the industry, leading on-set VFX for Lionsgate, Amazon, Apple+, Netflix and Paramount Studios. Balancing creative vision with technical needs, I provide innovative solutions, calm leadership, and a clear understanding of what works under pressure and within budget.
